CHAPTER NINE

TRAFFIC

ARTICLE 1 – Snow Emergency

9.0101 Snow Emergency Routes

Snow emergency routes are those streets normally traversing the entire city or a major part of the city and which are essential to the rapid movement of emergency vehicles and normally carry the heaviest traffic volumes. The Board of City Commissioners shall designate by resolution the streets or portions of streets which shall constitute the snow emergency routes within the City.

(Enacted June 12, 2023 by Ordinance No. 23-03)

9.0102 Parking on Snow Emergency Route

Upon the declaration of a snow emergency, parking on designated snow emergency routes shall be prohibited. This parking prohibition shall remain in effect until the declaration of a snow emergency has been terminated. Any person who violates the provisions of this article for which a specific penalty is not otherwise provided upon preponderance of the evidence a civil penalty as set by resolution of the City Commission.

(Enacted June 12, 2023 by Ordinance No. 23-03)

9.0103 Declaration of Snow Emergency

A declaration of a snow emergency shall be made upon the basis of falling snow, sleet or freezing rain or upon the basis of the forecast of the same. Upon its declaration, a snow emergency shall remain in effect until it has been officially terminated. The City Commission shall designate by resolution those officials and employees empowered to declare or terminate a snow emergency. The declaration and termination of a snow emergency shall be publicly announced by local radio or television broadcast. These announcements shall contain information regarding the prohibition of parking on snow emergency routes.

(Enacted June 12, 2023 by Ordinance No. 23-03)
